

What happens if your vehicle is damaged by a pothole?

Most drivers are familiar with the unique sense of dread that sets in immediately after hitting a bad pothole. It might also come with a few choice words and thoughts like, “my poor alignment!” and “what if that ruined my tire?!” The good news is that most potholes aren’t large or deep enough to do instant damage to your vehicle. But if your vehicle is damaged because of a pothole, what should you do? And will your car insurance cover the damage? We’ve got the answers to your questions.
